

***Got an idea?***

One that could improve the mission or the lives of Soldiers and Airmen!

***But you think it might take and act of Congress to make it happen***

Just send your idea to the NGAH Legislative Affairs Committee and we'll be sure your idea becomes a Resolution that the entire National Guard can get behind, please e-mail your idea to: NGAH Legislative Affairs Committee at [Info@NGAH.org](mailto:Info@NGAH.org)
